

## Stand construction information

The stand walls are provided free of charge by TrendSet. They are made of the Octanorm system (see picture). There is also the possibility to order stand walls made of wood. The minimum requirement for a stand consists of stand walls, a power connection, lighting via spotlights or suspension and a floor covering.

<b>Fascias and frames (5x3m, corner stand)</b>	<b>Shelves and inclined shelves (4x3m, row stand)</b>	<b>Row wall (4x3m)</b>
		
<b>Frames and spotlights (5x3m, row stand)</b>	<b>Perforated wall (4x3m, corner stand)</b>	<b>Corner wall (4x3m, corner stand)</b>
